This guide has been prepared solely for the purpose of convenience. For accurate reference, the relevant redistribution legislation should be consulted.

At the time of printing, the contents reflected municipal addresses only. It is not, therefore, an appropriate source to use for verifying mailing addresses, for example, postal box numbers or rural routes.

Although Elections Ontario has printed this guide in the hopes that it will be of assistance to the public, we do not claim that it is without errors or omissions, or by any means comprehensive.

Le présent guide a été préparé uniquement à des fins pratiques. Pour toute référence précise, il convient de se reporter au texte de lois sur les modifications des limites des circonscriptions électorales.

Au moment de l'impression, le guide n'indiquait que les adresses municipales. Il ne faut donc pas le prendre comme un ouvrage de référence pour vérifier des adresses postales, par exemple, le numéro de boîtes postales ou de routes rurales.

Élections Ontario a entrepris la publication de ce guide dans l'espoir qu'il sera utile au public, mais ne prétend pas n'avoir fait ni erreur ni omission; il ne faut en aucun cas considérer les renseignements comme étant exhaustifs.
